The organisation responsible within the meaning of the General Data Protection Regulation and other national data protection laws of the member states as well as other data protection provisions is:

Solarius GmbH
Albrechtstr. 43
80636 München
Deutschland
Tel.: +49 89 18006254
E-Mail: info@solarius-europe.com
Website: www.solarius-europe.com

II. Data Security Official

In accordance with §38 (1) BDSG there is no data protection officer assigned.

III. General Information

The website and the online offer of the Solarius Corporate Group are provided by Solarius GmbH, Munich, Germany. By using our website, you agree to the collection, processing and use of data in accordance with the following description. Our website can be visited without registration.

1. Scope of processing of personal data

This privacy policy clarifies the nature, scope and purpose of the processing of personal information within our online offering and the websites, features and content associated with it, as well as external online presence, e.g. our social media profiles. With regard to the terminology used, e.g. "Processing" or "Responsible", we refer to the definitions in Article 4 of the General Data Protection Regulation (GDPR).

We process personal data of our users on a regular basis only insofar as this is necessary and useful for the provision of up-to-date, functional and appealing websites as well as our content and services. The processing of personal data

of our users takes place regularly only with the consent of the user. Exceptions apply in cases where prior consent is not obtainable for actual or technical reasons and the processing of the data is permitted by law.

Insofar as we disclose data to other persons and companies (contract processors or third parties) in the course of our processing, or otherwise grant access to the data, this will only be done on the basis of a legal permission (e.g. if a transmission of data to third parties pursuant to art. 6 para. 1 lit. b) GDPR is required to fulfil the contract), on the basis of you have consented to a legal obligation or on the basis of our legitimate interests. If we commission third parties to process data on the basis of a so-called "contract processing contract", this is done on the basis of art. 28 GDPR.

If we have data in a third country, outside of the European Union (EU) or the European Economic Area (EEA), or in the context of the use of third party services or disclosure, or transmission of data to third parties, this is done only if it is to fulfil our (pre) contractual duties, on the basis of your consent, on the basis of a legal obligation or on the basis of our legitimate interests. Subject to legal or contractual permissions, we process or have the data processed in a third country only in the presence of the special conditions of art. 44 et seq. GDPR. That means the processing is e.g. based on specific guarantees, such as the officially recognized level of data protection (for example, the US Privacy Shield) or on compliance with officially recognized specific contractual obligations.

2. Legal basis for processing of personal data

Insofar as we obtain the consent of the data subject for processing of personal data, art. 6 para. 1 lit. a) EU General Data Protection Regulation (GDPR) is the legal basis.

In the processing of personal data necessary for the performance of a contract to which the data subject is a party, art. 6 para. 1 lit. b) GDPR is the legal basis. This also applies to processing operations required to carry out pre-contractual actions.

Insofar as processing of personal data is required to fulfill a legal obligation that is subject to our company, art. 6 para. 1 lit. c) GDPR is the legal basis.

In the event that vital interests of the data subject or another natural person require the processing of personal data, art. 6 para. 1 lit. d) GDPR is the legal basis.

If processing is necessary to safeguard the legitimate interests of our company or a third party, and if the interest, fundamental rights and freedoms of the data subject do not prevail over the first interest, art. 6 para. 1 lit. f) GDPR is the legal basis for processing.

3. Security Measures

We take appropriate technical measures in accordance with art. 32 GDPR, taking into account the state of the art, the implementation costs and the nature, scope, circumstances and purposes of the processing as well as the different likelihood and severity of the risk to the rights and freedoms of natural persons and organizational measures to ensure a level of protection appropriate to the risk.

Measures include, in particular, ensuring the confidentiality, integrity and availability of data by controlling physical access to the data, as well as their access, input, disclosure, availability and separation. We have also set up procedures to ensure the enjoyment of data subject rights, data deletion and data vulnerability. Furthermore, we consider the protection of personal data already in the development, or selection of hardware, software and procedures, according to the principle of data protection through technology design and privacy-friendly default settings (art. 25 GDPR).

For security reasons and to protect the transmission of confidential content that you send to us as a site operator, our website uses an SSL or TLS encryption. Thus, data transmitted to this website is not readable by third parties. You will recognize an encrypted connection at the "https://" address bar of your browser and at the lock icon in the browser bar.

4. Data deletion and storage duration

The personal data of the data subject shall be deleted or blocked as soon as the purpose of the storage is omitted or, as explained in the individual case below, the express request for deletion is received. In addition, extend storage may be necessary to meet the European or national legislation in EU regulations, laws or other regulations to which the organisation responsible is subject. Blocking or deletion of the data also takes place if a storage period prescribed by the standards mentioned expires unless there is a need for further storage of the data.

IV. Contract processing, business-related data processing

The data transmitted for the use of our goods and / or service offers are processed by us for the purpose of contract execution and are required to that extent. Conclusion of contracts and conducting such contracts is not possible without provision of your data. The legal basis for processing is art. 6 para. 1 lit. b) GDPR.

We delete the business-related data exclusively on explicit request with conclusion of the complete contract settlement and taking into account tax and commercial retention periods.

In the context of contract processing, we pass on your data to the transport company commissioned with the delivery of goods or to financial service providers, insofar as the transfer is required for the delivery of goods or for payment purposes. The legal basis for the transfer of data is in accordance with art. 6 para. 1 lit. b) GDPR.

V. Application procedure, publication of job advertisements

The Solarius Corporate Group offers the opportunity to apply via the website. In these digital applications, applicant's and application data for processing the application are collected and processed electronically. Legal basis for this processing is art. 26 para. 1 lit. 1) BDSG in connection with art. 88 para. 1 GDPR.

If an employment contract is concluded after the application process, the data submitted during the application will be stored in the personal file

for the purpose of the normal organizational and administrative process. The legal basis for this processing is also art. 26 para. 1 lit. 1) BDSG in connection with art. 88 para. 1 GDPR.

If an application is rejected, the data submitted to us will be deleted no later than two months after notification of the refusal. However, the deletion does not take place if the data require a longer storage period of up to four months or until the conclusion of a judicial procedure due to legal provisions, for example because of the proof obligations under the AGG. The legal basis in this case is art. 6 para. 1 lit. f) GDPR and art. 24 para. 1 lit. 2) BDSG. Our legitimate interest lies in the legal defence or enforcement.

If explicitly agreed to a longer storage of data, for example, for your inclusion in an applicant or interest database, the data will be further processed on the basis of the consent. Legal basis is then art. 6 para. 1 lit. a) GDPR. This consent must be revoked at any time pursuant to art. 7 para. 3 GDPR by declaration with effect for the future.

VI. Provision of the website and creation of logfiles

1. Description and scope of data processing

Each time our website is accessed, our system automatically collects data and information from the computer system of the calling computer. The following data are collected here:

- (1) Information about the browser type and version used
- (2) The operating system of the user
- (3) The Internet service provider of the user
- (4) The IP address of the user
- (5) Date and time of access
- (6) Websites from which the user's system accesses our website
- (7) Websites that are accessed by the user's system via our website

The data are also stored in the log files of our system. A storage of this data together with

other personal data of the user does not take place.

2. Legal basis for processing of personal data

The legal basis for the temporary storage of data and log files is art. 6 para. 1 lit. f) GDPR.

3. Purpose of the data processing

The temporary storage of the IP address by the system is necessary to allow delivery of the website to the computer of the user. To do this, the user's IP address must be kept for the duration of the session.

The storage in log files takes place, in order to ensure the functionality of the internet appearance. In addition, the data is used to optimize the websites and to ensure the security of our information technology systems. An evaluation of the data for marketing purposes does not take place in this context. In particular, this information is also needed to provide security against attacks on our information technology systems and to provide law enforcement with the information needed to prosecute such cyberattacks.

For these purposes, our justifiable interest in the processing of data pursuant to art. 6 para. 1 lit. f) GDPR.

4. Duration of storage

The data will be deleted as soon as it is no longer necessary for the purpose of its collection. In the case of collecting the data for providing the web pages, this is the case when the respective session is completed.

In the case of storing the data in log files, this is the case after no more than seven days. An additional storage is possible. In this case, the IP addresses of the users are deleted or alienated, so that an assignment of the calling clients is no longer possible.

5. Opposition and removal possibility

The collection of data for the provision of the website and the storage of the data in log files is imperative for the operation of the website or the website. There is consequently no contradiction on the part of the user.

VII. Cookies

1. Description and scope of data processing

Our website uses cookies. Cookies are text files that are stored in the Internet browser or by the Internet browser on the user's computer system. When a user visits a website, a cookie may be stored on the user's operating system. This cookie contains a characteristic string that allows the browser to be uniquely identified when the website is reopened.

We use cookies to make our websites more user-friendly. Some elements of our website require that the calling browser be identified after a page change. We also use cookies on our website, which allow an analysis of users' browsing habits. The following data is stored and transmitted in the cookies:

- (1) Geographic origin of the web page call
- (2) IP address
- (3) Language used
- (4) Operating system used
- (5) Used device (PC, tablet PC or smartphone) and used resolution of the device
- (6) Browser used and add-ons used
- (7) Visitor source (Facebook, search engine or referring website)
- (8) Content retrieved on the website (according to type, frequency, length of stay, etc.)
- (9) Time spent by the visitor and destination of the visitor when leaving the websites

Some cookies are so-called "session cookies." Such cookies are automatically deleted after the end of your browser session. On the other hand, other cookies remain on your device until you

delete them yourself. Such cookies help us to recognize you when you return to our website.

2. Legal basis for processing of personal data

The legal basis for the processing of personal data using cookies is art. 6 para. 1 lit. f) GDPR.

3. Purpose of the data processing

The purpose of using technically necessary cookies is to simplify the use of websites for users. Some functions of our website cannot be offered without the use of cookies. For these, it is necessary that the browser is recognized even after a page break. The user data collected by technically necessary cookies are not used for the creation of user profiles.

The use of analysis cookies is for the purpose of improving the quality of our website and its contents. The analytics cookies tell us how the website is used and so we can constantly optimize our offerings. In addition, we use the data collected to adapt our website and our organization to regional specificities.

4. Duration of storage, opposition and removal possibility

Cookies are stored on the computer of the user and transmitted by this to our site. Therefore, as a user, you have full control over the use of cookies. By changing the settings in your internet browser, you can disable or restrict the transmission of cookies. Already saved cookies can be deleted at any time. This can also be done automatically. If cookies are disabled for our website, it may not be possible to fully use all functions of the website.

The transmission of Flash cookies cannot be prevented by the settings of the browser, but by changing the settings of the Flash Player.

A general objection to the use of cookies used for online marketing purposes can be found in a variety of services, especially in the case of tracking, via the US website

VIII. Newsletter

1. Description and scope of data processing

On our website you have the possibility to subscribe to a free newsletter. The data from the input mask are transmitted to us when registering for the newsletter. These are:

- (1) E-mail address
- (2) Surname and first name
- (3) Company and / or company name
- (4) Phone

In addition, the following data are collected at the time of registration:

- (1) IP address of the calling computer
- (2) Date and time of registration

Your consent to the processing of the data is obtained as part of the registration process and reference is made to this privacy policy. By subscribing to our newsletter, you agree to the terms of reference and the procedures described.

The registration for our newsletter takes place in a so-called double opt-in procedure. After registration, you will receive an e-mail asking you to confirm your registration. This confirmation is necessary, so that nobody can register with external e-mail addresses. The subscriptions to the newsletter are logged in order to prove the registration process in accordance with the legal requirements. This includes the storage of the login and the confirmation time, as well as the IP address. Likewise, changes to your data stored with the service provider will be logged.

The newsletter is sent by the service provider plusdesign GmbH, Xantener Straße 15, 50733 Cologne. The privacy policy of the service provider can be viewed here:

<https://www.pluus-design.de/datenschutz.html>

The service provider may use the data of the recipients in pseudonymous form, i.e. without assignment to a user, to optimize or improve their own services, e.g. for the technical optimization of shipping and the presentation of newsletters or for statistical purposes. However, the service provider does not use the data of our newsletter recipients to address them themselves or to pass the data on to third parties.

The newsletter is sent by means of specialized software from CleverReach GmbH & Co. KG, Mühlenstr. 43, 26180 Rastede, Germany. With this service, we can organize and analyze the newsletter distribution. The analysis shows how many recipients have opened their newsletter and how often links in the newsletter have been clicked. CleverReach supports conversion tracking to analyze whether, after clicking on a link, a previously defined action, such as a website visit, has taken place.

For details about data analysis by CleverReach, please see:

<https://www.cleverreach.com/de/funktionen/reporting-und-tracking/>

Your data entered into the newsletter, such as your e-mail address, will be stored on CleverReach's servers. Server locations are Germany or Ireland. The data protection conditions of the software manufacturer can be viewed here:

<https://www.cleverreach.com/de/datenschutz>

2. Legal basis for processing of personal data

The legal basis for the processing of the data after the user has registered for the newsletter is the consent of the user according to art. 6 para. 1 lit. a) GDPR.

The legal basis for sending the newsletter as a result of the sale of goods or services is para. 7 sec. 3 UWG.

Using a shipping service provider is based on our legitimate interests accordingly to art. 6 para. 1 lit. f) GDPR and an order processing agreement accordingly to art. 28 para. 3 lit. 1 GDPR.

The software used to send the newsletter will be processed on the basis of our legitimate interests accordingly to art. 6 para. 1 lit. f) GDPR and a contract processing agreement accordingly to art. 28 (3) s. 1 GDPR.

3. Purpose of the data processing

The collection of the e-mail address and the name of the user serves to deliver the newsletter. The collection of other personal data as part of the log-on process is intended to prevent misuse of the services or the email address used.

4. Duration of storage

The data is stored as long as it is necessary for the purpose of its collection. This is the case as long as the subscription to the newsletter is active. Data entered to set up the subscription will also be deleted from CleverReach's servers in the event of unsubscription. If these data have been transmitted to us for other purposes and elsewhere, they will remain with us.

5. Opposition and removal possibility

Subscription to the newsletter may be terminated at any time by the user concerned. For this purpose, there is a corresponding link in each newsletter. This also allows a revocation of the consent of the storage of the personal data collected during the registration process and causes their deletion.

If you do not wish to be analyzed by CleverReach, you must unsubscribe from the newsletter. For unsubscribing send a formless message by e-mail to us or unsubscribe via the corresponding link in the newsletter.

IX. Registration

1. Description and scope of data processing

On our website, we offer users the opportunity to register by providing personal data. The data is entered into an input mask and sent to us and saved. A transfer of data to third parties does

not take place. The following data are collected during the registration process:

- (1) E-mail address
- (2) Surname and first name
- (3) Company and / or company name
- (4) Phone
- (5) Login information (e.g. username and password)

At the time of registration, the following data is also stored:

- (1) The IP address of the user
- (2) Date and time of registration

As part of the registration process, the consent of the user to process this data is obtained. Users may be informed by e-mail about events relevant to their user account, e.g. technical changes.

If users have terminated their user account, their data will be deleted with regard to the user account, except they are subject to a statutory retention obligation. It is the responsibility of the users to secure their data upon termination before the end of the contract. We are entitled to irretrievably delete all user data stored during the term of the contract.

2. Legal basis for processing of personal data

The legal basis for processing the data is the existence of the user's consent under art. 6 para. 1 lit. a) GDPR.

If the registration serves the fulfilment of a contract of which the user is a party or the implementation of pre-contractual measures, an additional legal basis for the processing of the data is art. 6 para. 1 lit. b) GDPR.

3. Purpose of data processing

Registration of the user is required for the provision of certain content and services on our website. This applies in particular to specific information which is provided exclusively to registered specialist visitors for contractually agreed

purposes online and up-to-date provision of specific information (for example for service and distribution partners).

4. Duration of storage

The data will be deleted as soon as it is no longer necessary for the purpose of its collection. This is the case for the data collected during the registration process until the registration on our website is cancelled or modified.

5. Opposition and removal possibility

As a user, you have the option of cancelling the registration at any time. The data stored about you can be changed at any time. A change or dissolution of the registration or the increased data can be done via the menu item "Unregister".

X. Contact form and e-mail contact

1. Description and scope of data processing

On our website is a contact form available, which can be used for electronic contact. If a user realizes this option, the data entered in the input mask will be transmitted to us and saved. User information can be stored in a customer relationship management system ("CRM system") or comparable organization data base systems. These data are:

- (1) E-mail address
- (2) Surname and first name
- (3) Company and / or company name
- (4) Phone

At the time of sending the message, the following data is also stored:

- (1) The IP address of the user
- (2) Date and time of registration

For the processing of the data, your consent is obtained during the sending process and reference is made to this privacy policy. Alternatively, contact via the provided e-mail address is possible. In this case, the user's personal data transmitted by e-mail will be stored. There is no

disclosure of data to third parties in this context. The data is used exclusively for processing the conversation.

2. Legal basis for processing of personal data

The legal basis for processing the data is the existence of the user's consent under art. 6 para. 1 lit. a) GDPR. The legal basis for the processing of the data transmitted in the course of sending an e-mail is art. 6 para. 1 lit. f) GDPR. If the e-mail contact aims at the conclusion of a contract, the additional legal basis for the processing is art. 6 para. 1 lit. b) GDPR.

3. Purpose of data processing

The processing of personal data from the input mask is used to process the contact. In the case of contact via e-mail, this also includes the required legitimate interest in the processing of the data. The other personal data processed during the sending process serve to prevent misuse of the contact form and to ensure the security of our information technology systems.

4. Duration of storage

Data submitted via the contact form will remain with us until the user expressly requests us to delete it, revoke the consent to the storage, or there is no longer the need to store data.

The additional personal data collected during the sending process will be deleted at the latest after a period of seven days.

5. Opposition and removal possibility

The user has the possibility at any time to revoke his consent to the processing of the personal data. If the user contacts us by e-mail, he may object to the storage of his personal data at any time. In such a case, the conversation cannot be continued.

The objection must be formally sent by e-mail to the following e-mail address, stating the information required for a clear identification of the sender:

gdpr.revoke@solarius-europe.com

All personal data stored in the course of contacting will be deleted in this case.

XI. Website Analysis

On our website the software Google Analytics is used based in your consent. Google Analytics is a web analytics service. Web analysis is the collection and analysis of data about the behaviour of visitors to websites. Among other things, a web analysis service collects data on which website an affected person came to a website, which sub-pages of the website were accessed, or how often and for which length of stay a sub-page was viewed. A web analysis is mainly used to optimize a website and cost-benefit analysis of internet advertising.

Google Analytics is a web analytics service provided by Google LLC ("Google"), 1600 Amphitheater Parkway, Mountain View, CA 94043 USA.

Google uses cookies. The information generated by the cookie about the use of the online offer by the visitor are usually transmitted to a Google server in the USA and stored there.

Google submits to the European Data Protection Law with the standard contractual clauses and thereby offers a guarantee to comply with the European Data Protection law.

With regard to the use of the data, there is a joint responsibility for data processing between Google and us pursuant to Art. 26 of the GDPR. We have agreed with Google that we assume primary responsibility for the processing of the data in accordance with the GDPR and fulfil all obligations arising from the GDPR with regard to the processing of the data (including Articles 12 and 13 GDPR, Articles 15 to 22 GDPR and Articles 32 to 34 GDPR).

Google will use this information on our behalf to evaluate the use of our online offering by users, to compile reports on the activities within this online offering and to provide us with other services related to the use of this online offering and internet usage opposite to bring. In this

case, pseudonymous usage profiles of the users can be created from the processed data.

We only use Google Analytics with activated IP anonymization. This means that the IP address of the users is shortened by Google within member states of the European Union or in other contracting states of the agreement on the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the US and be shortened there.

1. Description and scope of data processing

Essentially, the following data is submitted to Google Analytics to analyze the use of the website and the interests of the visitors in relation to Solarius:

- (1) Geographical origin of the page call
- (2) Language used
- (3) Operating system used
- (4) Used device (PC, tablet PC or smartphone)
- (5) Browser used and add-ons used
- (6) Used resolution of the device
- (7) Visitor source (Facebook, search engine or referring website)
- (8) Content accessed on the web pages
- (9) Time spent by the visitor and destination of the visitor when leaving the website

Additional information regarding the collection and processing of the usage of data by Google Analytics can be found in the usage and data processing guidelines of Google Analytics:

<https://policies.google.com/technologies/ads>

2. Legal basis for processing of personal data

The legal basis for the processing of the personal data of users is art. 6 para. 1 lit. a) GDPR.

3. Purpose of the data processing

The use of Google Analytics is for the purpose of improving the quality of our websites and their

content constantly and to enable a contemporary, attractive website. By using Google Analytics, we learn how the website is used, and so we can constantly optimize our offerings and, for example, make it easier for visitors to the website to access frequently used content. In addition, we use the data collected to adapt our website and our organization to regional characteristics.

4. Duration of storage

The data will be deleted as soon as the purpose of their collection has been fulfilled. Currently, the pseudonymous data is stored for a period of 14 months.

5. Opposition and removal possibility

Users can prevent the storage of Cookies by an appropriate setting of their browser software; Users may also prevent the collection by Google of the data generated by the cookie and related to their use of the online offer as well as the processing of this data by Google by downloading and installing the browser plug-in available under the following link:

XII. Social Media

The Solarius Corporate Group is one of the online reviews within social networks and platforms that deal with current and future activities. A social network is an internet appliance that has an online community which generally allows

users to communicate and interact in virtual space. A social network can be used to share information and experiences provided through internet access, personal or business information.

Within the respective networks and platforms, the terms and conditions and the data processing guidelines of the respective operators apply.

1. Facebook

The Solarius Corporate Group website uses features of Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA. Among other things, Facebook allows users of the social network to create private profiles, upload photos and socialize via friend requests. Facebook submits to the European Data Protection Law with the standard contractual clauses and thereby offers a guarantee to comply with the European Data Protection Law. The legal basis for the integration of Facebook functions is art. 6 para. 1 lit. f) GDPR.

Further information about the possible plug-ins as well as their respective functions is available on Facebook at:

<https://developers.facebook.com/docs/plugins/>

When you visit our pages with Facebook plugins, a connection is established between your browser and the Facebook servers. Data is transferred to Facebook. For technical reasons, it is necessary that Facebook processes your IP address. In addition, the date and time of the visit of our website are recorded. If you have a Facebook account, this data can be linked to it.

If you do not wish to assign this data to your Facebook account, please log out of Facebook before visiting our page. Interactions, in particular the use of a comment function or the clicking on a "Like" or "Share" button are also passed on to Facebook. Further information is available for you under the following links:

<https://de-de.facebook.com/about/privacy>
<https://www.facebook.com/policy.php>

2. Twitter

The Solarius Corporate Group website uses features from Twitter, Inc., 1355 Market St, Suite 900, San Francisco, CA 94103, USA. Twitter is a multilingual, publicly accessible microblogging service where users can post and distribute so-called tweets, which are limited to 280 characters. These short messages are available for everyone, including non-Twitter people. The tweets are also displayed to the so-called followers of the respective user. Followers are other Twitter users who follow a user's tweets. In addition, Twitter enables the address of a broad audience via hashtags, links or "re-tweets". Twitter submits to the European data protection Law with the standard contractual clauses and thereby offers a guarantee to comply with the European data protection law. The legal basis is art. 6 para. 1 lit. f) GDPR.

When you visit our pages with Twitter plug-ins, a connection is established between your browser and Twitter's servers. Data such as time zone and language settings are already being transmitted to Twitter. If you have a Twitter account, this data can be linked to it.

If you do not wish to associate this information with your Twitter account, please log out of Twitter before visiting our page. Interactions, especially clicking on a "re-tweet" button will also be shared with Twitter. Information on the Twitter buttons is available at:

<https://about.twitter.com/de/resources/buttons>

For more information about privacy, please visit:

<https://twitter.com/privacy>.

In addition, you can change your privacy settings on Twitter directly:

<https://twitter.com/account/settings>

3. YouTube

The Solarius Corporate Group website provides videos through the Google LLC YouTube platform, 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA. YouTube is an Internet video portal that allows video publishers to freely watch, rate, and comment on video clips and other users. YouTube makes it possible to

publish videos of all kinds, so that complete film and TV broadcasts as well as video clips, trailers or self-made videos are available via the Internet portal. Certified under the EU-US Privacy Shield Agreement:

<https://www.privacyshield.gov/participant?id=a2zt000000001L5AAI&status=Active>

Google, and thus its subsidiary YouTube, submits to the European data protection Law with the standard contractual clauses and thereby offers a guarantee to comply with the European data protection law. The use of YouTube is in the interest of a pleasing presentation of our online offers. This constitutes a legitimate interest within the meaning of art. 6 para. 1 lit. f) GDPR.

When you visit a page with a built-in YouTube plugin, it will connect to the YouTube servers. This connection is required to view the video on our website via your internet browser. YouTube will collect and process your IP address, the date and time, and the website you visit. In addition, Google connects to the DoubleClick ad network. YouTube will find out which of our sites you've visited. YouTube can link your browsing behaviour directly to your personal profile when you're signed in to your YouTube account.

If you do not want to link, you'll either need to log out of YouTube before visiting our website or make the appropriate settings in your YouTube user account.

For the purpose of functioning and analysis of user behaviour, YouTube permanently stores cookies on your device via your Internet browser. If you do not agree with this processing, you have the option to prevent the storage of cookies by setting in your internet browser.

Further information about the collection and use of data and your related rights and access rights is provided by Google in the following retrievable privacy notices:

<https://policies.google.com/privacy>

XIII. Google Maps

The website of the Solarius Group uses Google Maps to display locations as well as to create driving directions. It is a service of Google LLC, 1600 Amphitheatre Parkway, Mountain View, CA 94043 USA, hereafter referred to as "Google" only.

Google submits to the European Data Protection Law with the standard contractual clauses and thereby offers a guarantee to comply with the European Data Protection Law.

With regard to the use of the data, there is a joint responsibility for data processing between Google and us pursuant to Art. 26 of the GDPR. We have agreed with Google that we assume primary responsibility for the processing of the data in accordance with the GDPR and fulfil all obligations arising from the GDPR with regard to the processing of the data (including Articles 12 and 13 GDPR, Articles 15 to 22 GDPR and Articles 32 to 34 GDPR). Insofar as the component integrated in the internet presence will call Google Maps, Google will store a cookie on the device via the internet browser. In order to display an appropriate location and to create a description of the route, usage settings and data are processed. It cannot be ruled out that Google uses servers in the United States. By the connection to Google servers Google is enabled to determine from which website your request has been sent and to which IP address the directions are to be transmitted.

The legal basis is art. 6 para. 1 lit. a) GDPR. The cookie will only be set if you have given your consent for this.. If you do not agree with the processing of the data collected by the cookie, you have the option to prevent the installation of cookies by the corresponding settings in your Internet browser.

In addition, the use of Google Maps and the information obtained through Google Maps is governed by the Google Terms of Use.

all appropriate measures to inform data controllers who process the personal data, taking into account available technology and implementation costs, that you, the affected person, have requested to delete all links to such personal information or copies or replicas of such personal information.

c) Exemptions

The right to erasure does not exist if the processing

- (1) is necessary to exercise the right to freedom of expression and information or
- (2) to fulfil a legal obligation which requires processing under Union or Member State law to which the responsible person is subject or for the performance of a public-interest mission or exercise of public authority, which has been assigned to the person responsible
- (3) for reasons of public interest in the field of public health pursuant to art. 9 para. 2 lit. h) and i) and art. 9 para. 3 GDPR;
- (4) for archival purposes of public interest;
- (5) for scientific or historical research purposes or for statistical purposes in accordance with art. 89 para. 1 GDPR,
- (6) to the extent that the law referred to in subparagraph (a) is likely to render impossible or seriously affect the achievement of the objectives of that processing, or (b) to assert, exercise or defend legal claims.

5. Right to notification

If you have the right of rectification, erasure or restriction of the processing to the person responsible, the person responsible is obliged to make any correction or deletion of the data or restriction of processing available to all recipients who have been disclosed the personal data concerning you unless it proves impossible or involves disproportionate effort.

You have a right to the person responsible to be informed about these recipients.

6. Right to data portability

You have the right to receive personally identifiable information you have provided to the responsible person in a structured, common and machine-readable format. You also have the right to transfer this information to another person without any hindrance by the person responsible for providing the personal data, provided that

- (1) the processing is based on a consent accordingly to art. 6 para. 1 lit. a) GDPR or art. 9 para. 2 lit. a) GDPR or on a contract accordingly to art. 6 para. 1 lit. b) GDPR and
- (2) the processing is done by automated means.

In exercising this right, you also have the right to obtain that the personal data relating to you are transmitted directly from one person responsible to another, insofar as this is technically feasible. Freedoms and rights of other persons may not be affected by this.

The right to data portability does not apply to the processing of personal data necessary for the performance of a task in the public interest or in the exercise of official authority delegated to the person responsible.

7. Contradictory legal

You have the right at any time, for reasons arising from your particular situation, to take an objection to the processing of the personal data relating to you which is processed on the basis of art. 6 para. 1 lit. e) or f) GDPR; this also applies to profiling based on these provisions.

The person responsible will no longer process your personal information about you unless it can demonstrate compelling legitimate reasons for processing that outweigh your interests, rights and freedoms, or the processing is for assertion, exercise or defense of legal claims.

If the personal data relating to you are processed for direct marketing, you have the right to lodge a claim at any time against the processing of your personal data for the purposes

of such advertising; this also applies to profiling insofar as it is connected with such direct advertising.

If you object to the processing for purposes of direct advertising, your personal data will no longer be processed for these purposes.

You have the option of exercising your right of opt-out through automated procedures in connection with the use of information society services, regardless of directive 2002/58/EC, using technical specifications.

8. Right to revoke data protection consent

You have the right to withdraw your data protection consent at any time. The revocation of the consent shall not affect the lawfulness of the processing effected on the basis of the consent until the revocation.

9. Automated decision on an individual basis including profiling

You have the right not to be subject to any decision based solely on automated processing, including profiling, which will have a legal effect on you or similarly affect you in a similar manner. This does not apply if the decision

- (1) is required for the conclusion or performance of a contract between you and the person responsible,
- (2) is permitted by Union or Member State legislation to which the responsible organization is subject, and where such legislation contains appropriate measures to safeguard your rights and freedoms and your legitimate interests, or
- (3) with your express consent.

However, these decisions must not be based on special categories of personal data pursuant to art. 9 para. 1 GDPR unless art. 9 para. 2 lit. a) or g) GDPR apply and appropriate measures have been taken to protect the rights and freedoms and the legitimate interests.

With regard to the cases referred to in (1) and (3), the person responsible takes appropriate

measures to uphold the rights and freedoms as well as your legitimate interests, including at least the right to obtain the intervention of another person selected by the person responsible, listening to its own position and contesting the decision.

10. Right to complain to a regulatory authority

Without prejudice to any other administrative or judicial remedy, you shall have the right to complain to a supervisor, in particular in the Member State where you reside, at the place of work or the place of alleged infringement, if you believe that the processing of your personal data is in violation of the GDPR.

The supervisory authority to which the complaint has been submitted shall inform the appellant of the status and results of the appeal, including the possibility of a judicial remedy pursuant to art. 78 GDPR.
